

FINFERLO Collection

INTENDED USE: Padded and upholstered pouf, ideal for hospitality environments and public spaces.

Finferlo: lively and fun design for a pouf with two large lapels, to create a storage space for magazines or accessories. A small buttonhole with the name of the product embroidered, allows you to carry it easily thanks to its lightness.

MATERIALS UTILIZED: The Finferlo collection is made with a structure in medium-density wood composite panels, padded with polyurethane foam and upholstered.

FINISHES: Slight differences in shades between different surfaces are possible. Furthermore, in the case of products purchased at different times, natural-climatic factors can cause slight variations in shades.

CLEANING: To clean the fabrics used by Gaber, consult the specific technical data sheet.
