lounge armchair / chaise-longue

La nuova seduta DRESS\_CODE si ispira ai canoni della moda sartoriale, giocando con gli abbinamenti di colori, tra struttura e seduta, con le trame dei tessuti per indoor ed outdoor e con la loro lavorazione: oltre al tessuto liscio come un foglio, viene proposta una versione imbottita e sagomata ad onde. Le trapuntature e le imbottiture sono sia un elemento grafico che fonte di maggiore comfort.

The new DRESS\_CODE lounge armchair is inspired by the canons of haute couture, playing with the combinations of colours between structure and seat, with the indoor and outdoor fabrics patterns, and with their upholstery: in addition to the smooth and flat fabric version, there is a padded, wave-shaped version. The quilting and padding are both an aesthetic element and a source of greater comfort.

La nouvelle chaise-longue DRESS\_CODE s'inspire des normes de la mode vestimentaire, en jouant avec les associations de couleurs, entre structure et assise, avec les tissus pour intérieur et extérieur et avec leur fabrication : en plus du tissu lisse comme une feuille, il existe une version rembourrée en forme de vagues. Le capitonnage et le rembourrage sont un élément graphique mais qui offre aussi un plus grand confort.
