MEASURES

Product

A	75 cm
B	95 cm
C	198 cm
D	37 cm
Weight:	20,5 kg

Packaging

Type:	Pallet
Units:	14
Measures:	200 x 78 x 178cm.
Weight:	297,9 Kg
Volume:	2,7 m ³

Loading capacities

Trailer mega:	520 u.	10.660 Kg
20' Container:	160 u.	3.280 Kg
40' Container:	330 u.	6.765 Kg
40' HC Container:	400 u.	8.200 Kg

MAINTENANCE SCHEDULE

Weekly: Visual check of the general condition of the sunlounger, removing dirt and ensuring there are no broken parts or damage that could be a danger to users.

Monthly: Check the structural strength and stability.

Yearly: Check the backrest and adjuster are working correctly. Replace any worn or damaged parts.

Wintering and storage: Clean with soapy water and a soft cloth. Remove damp stains, sand and seawater. Store horizontally in a dry place in stacks of 10 units.

- Always use Balliu spare parts.
- Balliu does not manufacture parts for other brands.
- If the sunlounger is subject to heavy use, maintenance checks must be carried out more frequently.
- Do not use the sunlounger until maintenance is completed.
- Consult the maintenance instructions.
- Do not use aggressive chemicals to clean the sunlounger. Always use products with a neutral pH.
- Use a soft cloth to clean the sunlounger.
